“ Double-sided tape is best for sticking your stitching into a card mount. It's easy to apply and doesn't make as much mess as glue ”

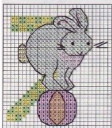

*Sarah says...*

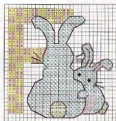

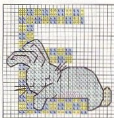

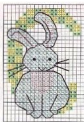

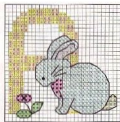

“Children absolutely love bunnies and are sure to fall for these cute designs. Why not use the abc to spell out a child's name? Then simply pop your stitching in a matching frame for them to hang on their bedroom wall.”

Tip**

Create Easter decorations by stitching onto plastic canvas and hanging with pastel ribbon.
