

**Crazy tip!**  
 If you're stitching a series of letters, don't trail threads across the back of your work

## Kelly Says...

Each of these One Nighters designs will only take you a few hours to stitch, so they make ideal projects to create in a hurry. My dad is really into sailing so I'm going to stitch 'ahoy' and patch it onto a piece of driftwood to hang proudly in his boat. I know he'll be over the moon!
