

Design size: 168 wide x 112 high

Cover model: stitched on a 21" x 17" piece of It blue 14-count Aida cloth, shown matted in a 15" x 11" gold and black frame

Stitching notes: The combination of matte finish flower thread (using full cross stitches) and shiny 1/16" ribbon (using half cross stitches) creates the subtle play of light found on the coat of a stalking panther. If desired, other combinations of dull and shiny black threads can be used; full cross stitches will be required when substituting floss for 1/16" ribbon.

Unless otherwise directed, use two strands of floss or flower thread and one strand of 1/16" ribbon.
